Bulletin Board:

Grace – SAIL has youth in transition mini-grants available, disability 14 – 24

Ryan – waiting on responses for programs that involve youth – Matthew, please add the questions that need to be answered on the web page.

David S – Neural Clinic, doing 2 clinics a month – their agency will do a 4 hour one on one Fetal Alcohol Spectrum Syndrome training, 4 CEUs, contact Dave to set up date and time. Community Training coming up, stay tuned.

Louise – Family Justice center is coming along, invited folks to walk through the site for a tour. B&G club close to getting a location, starting a fundraising campaign for that – looking at lots of options. Tribe sponsored an MRT training, trainees looking to start-up some work with high-risk youth, Kid Cops training Feb. 8,9,10 at the Fire Hall for childhood trauma, trying to reschedule Bruce Perry for March training on early childhood trauma. Family Justice Center will be offering technology training, dealing with Tech and Confidentiality, 15th and 16th Feb, free, more info, at Centennial Hall.

Bob George – relocating the swan lake office to Indian River, started construction on a 6 apartment complex, projecting December completion. Will be offering furniture and stuff to non-profit, call SCAPS 747-3636 to set up time.

Chris Baumann – Support groups are all up and running now that they are fully staffed. Feb 25 taco feed fundraiser – A&B Hall

Alison Dunlap – Parent Night went well, teachers training and dorm staff training at Edgecumbe. Next parent training, harmful everyday products March 13th, dinner provided, contact Alison

Cheri Hample – Faces of Public Health, asking AOC for participation in this, feature non-traditional people are highlighted in paper as contributing to public health. April 3-9.

Committee Reports

Steering – resolution adopted, moving ahead, please review document on web site.

Youth – making lots of opportunities for kids to move on the 3-school party, not happening. Rick and Ryan have been doing a lot of coaxing, connecting, but ultimately the youth need to make a move.

YRBS – media release plan is in place.

Clinical/BH – update on their grid, priorities

Proposed that the March Meeting be held at the Fire Hall. Matthew will look into this.
